Projects

FromSurvey — Survey Web Application

2026 – Present

Frontend Developer

[Live](#) | [GitHub](#)

Built a multilingual survey app using React and TypeScript with four-language support. Improved layout, usability, and fixed frontend issues through debugging.

Stomatology Clinic Website Redesign

2024

Frontend / UX Developer

[GitHub](#)

Redesigned an outdated dental clinic website to improve usability and clarity. Reorganized information hierarchy, created Figma prototypes, and implemented a modern responsive layout using HTML and CSS.

Personal Portfolio Website

2024 – Present

Frontend Developer

[Live](#) | [GitHub](#)

Designed and built a personal portfolio to present projects and skills. Focused on clean layout, readability, and continuous improvements as new work is added.

Data Portal — Transportation Dashboard

2025

Frontend Developer

[Live](#) | [GitHub](#)

Built an interactive dashboard using Apache ECharts to visualize transportation mode share data. Processed CSV/JSON datasets, configured dynamic charts, and developed UI components including an FAQ accordion and modern responsive layout.

Programming Quiz Application

2025

Frontend Developer | Team Project

[Live](#) | [GitHub](#)

Built a React-based quiz application with dynamic question logic and database integration. Collaborated with a team using GitHub and focused on clear UI and smooth user interaction.

Work Experience

Restaurant Server

May 2025 - April 2026

Executive Hotels — Burnaby, BC

Serve guests in a fast-paced restaurant environment with high daily order volume. Communicate clearly with customers and team members, manage multiple tasks under pressure, and quickly resolve service issues to maintain positive guest experiences.

Ice Rink Attendant (Seasonal)

2024 - 2026 (2 seasons)

Robson Square Ice Rink — Vancouver, BC

Sharpen and maintain skating equipment for daily operations. Train and support new staff members, ensure safe procedures, and assist visitors during busy public sessions and events.

Bartender

Nov 2022 – Jun 2023

Kitchen & Bar “Matreshka” — Chelyabinsk, Russia

Delivered service in a fast-paced casual dining bar environment. Prepared drinks, maintained a clean and organized workspace, trained new staff, and handled guest concerns to ensure smooth daily operations and positive customer experiences.
